

# Optics And Photonics In Global Homeland Security V And Biometric Technology For Human Identification VI: 13-16 April 2009, Orlando, Florida, United States

by Craig S Halvorson; SPIE (Society)

Year of Publication: 2009 - UTpublications SPIE--the International Society for Optical Engineering, 1994. Complex photonic media : 13-16 August, 2006, San Diego, California, USA V [electronic resource] : 13-14 April 2009, Orlando, Florida, United States / Michael J. Hayduk . homeland security V and Biometric technology for human identification VI Optics and photonics in global homeland security V, and, Biometric . Optics and photonics in global homeland security V and Biometric technology for human identification VI : ( 13-16 April 2009, Orlando, Florida, United States ) Security-Oriented Research in Information Technology 2007 - 2013 Optics And Photonics In Global Homeland Security V And Biometric Technology For Human Identification VI by Craig S. Halvorson , Editors Biometric Technology For Human Identification VI: 13-16 April 2009, Orlando, Florida, United States 13-16 April 2009, Orlando, Florida, United States - WorldCat Optics and Photonics in Global Homeland Security III : 10-12 April 2007, Orlando, Florida, USA 9780819466624. Published: 2007 £92.40, UV/Optical/IR Space Publications for Bowker Subject Title - Optics - Oakleaf Books Optics and photonics in global homeland security V, and, Biometric . Optics and photonics in global homeland security V, and, Biometric technology for human . Subtitle: 13-16 April 2009, Orlando, Florida, United States. Series Optics And Photonics In Global Homeland Security V And Biometric . Kumar Vaibhav Srivastava, Vishwa V. Mishra and Animesh Biswas, direct vector control of SCIM, IEEE-IECON 08, Orlando, Florida, USA, 2008, . 15th National Power Systems Conference (NPSC), IIT Bombay, 16-18 December, 2008, pp. 1-6. . of an Optical identification and interrogation system, Enabling Photonic
